Last updated: July 2026

The Smart Catalogue is a product and trading name operated by Club Madeira Ltd.

The Smart Catalogue enables participating websites and communities to display products from a network of retailers, suppliers and merchants and to earn commission from qualifying purchases.

How Affiliate Links Work

Products displayed through The Smart Catalogue may contain affiliate links.

When you select a product, you will be directed to the website of the relevant merchant or retailer.

If you make a qualifying purchase after following an affiliate link, Club Madeira Ltd may receive a commission from the merchant, retailer or affiliate network.

There is normally no additional cost to you for purchasing a product through an affiliate link.

How Commission Is Shared

Commission generated through qualifying purchases may be shared between Club Madeira Ltd, commercial partners and the participating community or organisation through whose Smart Catalogue the purchase originated.

Affiliate tracking is used to identify the source of qualifying purchases, calculate commission and distribute commission to the appropriate parties.

Product Selection and Availability

Products displayed through The Smart Catalogue are selected and organised according to the settings, categories, interests and instructions associated with each participating Smart Catalogue.

The availability, price, description, delivery arrangements, returns policies and terms of sale for products are determined by the relevant merchant or retailer.

Products, prices and availability may change without notice.

Purchases Are Made With the Merchant

The Smart Catalogue and Club Madeira Ltd do not sell the products displayed within Smart Catalogues.

When you select a product and complete a purchase, the transaction takes place directly between you and the relevant merchant or retailer.

The merchant is responsible for:

- Processing payments
- Collecting billing and delivery information
- Fulfilling and delivering orders
- Providing product information and warranties
- Handling cancellations, returns and refunds
- Providing customer service relating to purchases

Club Madeira Ltd and The Smart Catalogue do not receive or store customers' payment card details, payment information, billing addresses or delivery addresses relating to purchases made from merchants.

Any questions or concerns about a product, purchase, delivery, return or refund should be directed to the merchant from whom the product was purchased.

Our Merchant Relationships

The Smart Catalogue works with participating merchants, retailers, suppliers and affiliate networks.

The inclusion of a product or merchant within The Smart Catalogue does not mean that Club Madeira Ltd manufactures, supplies, sells or guarantees that product.

We aim to work with reputable merchants and retailers, but customers should review product information and the merchant's own terms, privacy policy and returns arrangements before completing a purchase.
