This Cookie Policy explains how Club Madeira Ltd trading as The Smart Catalogue (“we”, “us” or “our”) uses cookies and similar technologies when you visit www.thesmartcatalogue.com or use The Smart Catalogue services.

This Cookie Policy should be read alongside our Privacy Policy.

1. What Are Cookies?

Cookies are small text files that are placed on your computer, smartphone or other device when you visit a website.

Cookies can help websites work correctly, remember preferences, maintain security, understand how visitors use a website and record when a visitor follows a link to another website.

Some cookies are necessary for a website or service to function. Other cookies require your consent before they can be placed on your device.

3. Types of Cookies We Use

Essential Cookies

Essential cookies are necessary for our website and services to operate correctly.

They may be used for security, account login, maintaining sessions, remembering privacy choices and providing core website functionality.

These cookies do not normally require your consent.

Analytics and Performance Cookies

We may use analytics and performance cookies to understand how visitors interact with our website.

These cookies may collect information such as pages visited, time spent on the website, device and browser information, referring sources and general website interactions.

We use this information to understand website performance, identify problems and improve our services.

Where required by law, these cookies will only be used with your consent.

Affiliate Tracking Cookies and Similar Technologies

The Smart Catalogue displays products supplied by participating merchants and retailers.

When a visitor selects a product and follows a link to a merchant's website, affiliate links and related tracking technologies may be used to record that referral.

If the visitor subsequently completes a qualifying purchase, tracking information allows the sale to be attributed correctly and commission to be calculated and distributed between the relevant parties, which may include Club Madeira Ltd, commercial partners and participating communities.

Affiliate tracking may involve cookies, referral identifiers, transaction references or similar technologies operated by merchants, affiliate networks or technology providers.

Affiliate tracking is used for the purpose of recording referrals, attributing qualifying purchases, calculating commission and distributing commission correctly.

Club Madeira Ltd does not receive or store customers' payment card details, payment information, billing addresses or delivery addresses when purchases are completed with merchants.

4. Third-Party Cookies

Some cookies and similar technologies used in connection with The Smart Catalogue may be placed or operated by third parties.

These may include:

- Website hosting and technology providers
- Analytics providers
- Participating merchants and retailers
- Affiliate networks and tracking providers

When you follow a product link to a merchant's website, that merchant and its service providers may use cookies in accordance with their own cookie and privacy policies.

We recommend reviewing the relevant merchant's policies when visiting or purchasing from a third-party website.

5. Managing Your Cookie Preferences

When you first visit our website, you may be presented with a cookie banner or privacy settings that allow you to accept, reject or manage non-essential cookies.

You can change or withdraw your consent at any time through the cookie settings available on our website.

Persistent cookies remain on your device for a specified period or until you delete them.

The duration of third-party affiliate tracking cookies is determined by the relevant merchant, affiliate network or technology provider.
